SCIENCE THROUGH EXPERIMENT IN EUROPE 2

Science is the sound of the future!

2nd day - Tuesday: On the way to Cappadocia region in the morning first we visited Salt Lake, Turkey's largest lake. Then we moved to Cappadocia. We joined Turkish traditional art, pottery making with the guide. Project partners saw fairy chimneys closely in their free time. They tasted traditional meals. We visited onyx center. After that we tasted different kinds of Turkish delight in a tasting shop.

3rd day - Wednesday: From the hotel we moved to Beypazarı. They learned about traditions, handcrafts, carpet, kilims, household items and costumes of a century ago. We visited Hıdırlık Hill to see the city from the top and tasted Turkish traditional local meals in Beypazarı. We visited living museum and old Alaaddin Mosque.
